CORAM:S.R.SATHE,J.

DATED:4th Aug. 2006

P.C.:-

. Heard learned advocate for the Applicant.

. It appears that there are two Respondents. Respondent no.2 has expired and his heirs re not brought on record. The learned Advocate submits that they received the said information about the death of Respondent no.2 only after Respondent's Advocate recently informed them. It is not argued before me that appellant had knowledge about the death of Respondent no.2 prior to the time Respondent's Advocate gave information.

. Hence, for the reasons mentioned in the application, Civil Applications are allowed subject to payment of Rs.1,000/- in each application to the Legal Aid Service, Bombay. Costs to be paid within two weeks.

. C.As disposed of.
